Mary Maher—Private Residence

My home, at 18 Baywood Court in Fairfax, is located on a quiet, friendly cul-de-sac in a park setting with a large back yard, on the creek. It is a three bedroom home, two bath home. It has cathedral ceilings in the living room/dining room/kitchen and I use one of the bedrooms as an office. I am an organizer and a decorator by trade, so my home is uncluttered and really beautiful. One bathroom is used strictly as a laundry room and the one full bath has the most amazing water pressure and lots of hot water; no worries, I can stay out of your way in the morning when you have to use it to get to class! Your bed is extremely comfortable; no motel beds in this house! I have a kitchen you are free to use and cook in; I have outdoor decks if you want to laze around and read...

I also have an HD 45" TV, but you'll have to watch what I want to watch, maybe with some exceptions (?)... I'm within easy walking distance from downtown San Anselmo (about a mile) and less to downtown Fairfax. The nearest restaurant (Iron Springs Pub and Brewery) is two blocks away. Another two blocks and you'll find Thai, Indian, Italian and the best burgers in Marin. There is a movie theatre within four blocks.

Driving distance to 4330 Redwood Hwy is 6.7 miles; approximately 16 minutes. You can probably get there faster on weekends!

I have a dog, Bear, who is a cute, sweet german/chow and three cats. If you have to leave animals behind, you can befriend mine. None of them hang out in the guest room, but if you have any allergies to animals, this is not your place.

I have ample parking. I would like to charge enough less than what you'd pay in a hotel to make it worth your while, but also enough to make it worth mine. I love my home and my privacy and quiet, but could also use the extra cash! You can call me at 415/457-4574 with any questions.
